Home Schooled Student Supplement

Students who do not attend a home school accredited by one of the approved organizations, must submit this completed form along with their application.

The Office of Undergraduate Admissions at Georgia Tech is pleased to consider applications from qualified home schooled students and recognizes home schooling as a viable alternative to public/private education. All such applications receive especially careful consideration in our evaluation process. The information you provide on this form will provide additional input to our staff regarding your educational experience. Please feel free to use the space provided or attach additional information.
